### **14:05 New Business:**

- Wyoming Region 2 and Natrona County Hazard Mitigation Plan (HMP) updates have begun
  - 5 year cycle, last version was 2018
  - Critical element in ensuring plans are being developed appropriately
  - Key to success is participation from government partners, private partners, and the general public.
  - Natrona County will be forming a Hazard Mitigation Planning Committee (HMPC) and welcomes your involvement.
  - Process should be completed by the end of 2023
  - The HMP will be presented to the BOCC and all Municipal Councils in Natrona for adoption via resolutions.
  - Adoption, and/or active participation, of the HMP may be required for various grant eligibilities.
