ABOUT SHERIFF CADETS

The Natrona County Sheriff Cadets has been around since the early 1980's and is the only Cadet program in the state of Wyoming. Our Cadets program is open to persons of good character between the ages of 15 and 20 who have a desire to pursue a career in Law Enforcement. Every Cadet will deal with all aspects of the Sheriff's Office including patrol ride-along, detention issues, criminal investigation, crime prevention and much more. Cadets belong to a close-knit community who share a common interest.

Frequent training in all aspects of Law Enforcement is the corner stone of the program. Cadets will have the opportunity to work in the community during various events and need to be ready at any time to provide help within the county when called upon. Today's criminal justice field is challenging but the Cadets program will give you the skills to excel in this modern and rapidly evolving career field.

If you're looking for a career in Law Enforcement, the Natrona County Sheriff Cadets Program is the perfect place to get your start. We will help you reach your goal by providing real world experience and training.
