

**REWARD- \$\$\$\$**

*We thought your group would be interested in making some money!*

**HELP CONTROL INVASIVE WEEDS**  
**IN NATRONA COUNTY !!**

**Houndstongue**— A biennial weed that forms small “nutlets” that stick to everything, including bare skin. Plants are often found in large patches along trails,

**Common Burdock**—A biennial weed that forms large “bur” structures. Leaves are very large, and often grow in shaded areas. Dead standing structures are often present where new plants are sprouting.

Beginning **Tuesday, June 1, 2021**, the NCWP will pay \$0.50 per pound for these two species. There are a few rules.... **Weeds must be bagged in the clear plastic bags that are supplied by the NCWP.** Each participant will be given up to 6 bags. **No payments will be made for plants collected in any other bag.** Plants will be weighed, and checks will be written at the time of drop off.

**Bags and Program Details, can be picked up anytime in the month of June, during normal business hours.**

Weigh in / payments will be **from 12:00—3 :00 pm Mon-Thurs., BY APPOINTMENT ONLY! (NO EXCEPTIONS) Beginning June 3rd .** This is in order to avoid confusion during our busiest times of the business day. Maps, Pictures, and details will be provided.

**QUESTIONS? Please Call [307-472-5559](tel:307-472-5559) or Stop by the NCWP at 6819 W. Yellowstone Hwy, Casper WY**
